A **Beaumont** Affiliated  
Health & Rehabilitation Center

# A SEAMLESS TRANSITION

For Your Optimized Recovery.

For your continued improvement, **Beaumont Health** delivers the most advanced post-acute care. As a direct extension of the health system you've come to trust, we assure you a seamless transition upon discharge from the hospital, which leads to better outcomes. At our facility, Beaumont continues to confidently monitor your progress through an already established team and encourages you to recharge in an environment of utmost health and wellness.

## Beaumont Continuum of Care

- Regular visiting Beaumont doctors, including a member of the Beaumont Physical Medicine team, for oversight of medical and rehabilitation needs
- Individualized *myBeaumontChart*
- Beaumont Mobile Imaging
- Beaumont Laboratory Services to analyze and trend your lab results
- Medical oversight by a board-certified Beaumont doctor
- Regular evaluation of your care in collaboration with Beaumont Quality Assurance Standards

## Taking **YOUR WELLNESS EXPERIENCE** to New Heights.

Shelby, a Five-Star rated facility, has long been a recognized leader in rehabilitative and post-acute care. And now, a special enclave called The Hudson creates an even higher standard and caters to those who expect simply the best in every aspect of health and recovery.

For decades, luxury, service and style were synonymous with Detroit's iconic Hudson's department stores. Those same qualities provided inspiration for the newest addition at Shelby. The Hudson features **72 private luxury suites** with a completely reimagined take on health and wellness.

### **Amenities at The Hudson include:**

- Private luxury suites with individual showers
- Upscale furnishings and décor
- Complimentary valet parking
- 43" Smart TVs
- Free Wi-Fi throughout the facility
- An exclusive bistro dining experience
- A full-service Starbucks coffee shop on-site

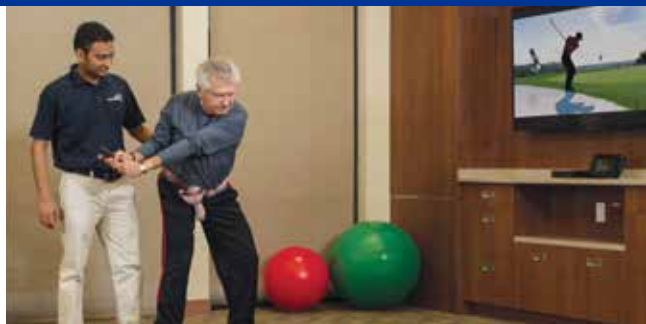

# ADVANCED THERAPY

Maximizes Your Progress.

The Hudson is only the latest advancement at Shelby. Our facility's 10,000-square-foot, state-of-the-art therapy gym can help speed your return to a desired routine. Dedicated to clinical specialty programs such as cardiopulmonary rehab, orthopedic joint programs and fall prevention, our rehabilitation center is truly second to none. With the latest equipment on hand, our team of licensed therapists delivers the best results in surgical spine care, orthopedic joint arthroplasty care, cardiovascular care and more.

## **Our progressive rehabilitation is comprised of:**

- A training suite outfitted with a full kitchen, bathroom, bedroom and laundry facility - the ultimate environment to remaster activities of daily living
- An indoor/outdoor track featuring multiple surfaces to simulate walking in the outside community
- A full-sized Cadillac to practice safe vehicle transfers
- Xbox and WiiU Stations to encourage flexibility and build hand-eye coordination
- Safe patient handling devices and body weight support systems
- Recumbent cross-trainers, treadmills, upper body cycles and more
